

THE FOURTH NSW Cuboree

The fourth NSW Cuboree was a huge success this year with approximately 60 coaches and 200 cubs from all over NSW heading to Cataract Scout Park for four days of fun. The cubs enjoyed exploring the underground caves of Cataract, getting muddy in Challenge Valley, competing in chariot races and playing on the huge water slide. "Even though the weather was overcast and there were a few showers, it didn't seem to bother the cubs!" Assistant cub leader for Brookvale Cubs, Glenn Satchell, says.

Cub Scouts is for boys and girls aged between 8 and 11. You can sign up by contacting your local scout group, or by visiting www.nsw.scouts.com.au. For younger children aged between six and eight, there is Joeys, 11 to 14 year olds can join the Scout Troop, and 15 to 18 year olds can become Venturers.
